OVERVIEW/SCHEDULE: WPIAL girls' golf section competition will begin on Tuesday, August 25, 2009, and must be completed according to the schedule. Section matches will be played in a **nine-hole** format.

- Since the WPIAL is dependent upon outside facilities for the golf program, it may be necessary for some dates to be adjusted due to restrictions placed on the school by the golf course management. The WPIAL recognizes this problem and we ask that the home school notify their opponents when this occurs.
- The correct starting time should be established by the home team and made known to the visitors in plenty of time. It is recommended that regular season section matches do not start before 3:30 PM unless the golf course dictates another time. Both school principals should be notified when this occurs.
- IF YOU SHARE A GOLF COURSE WITH OTHER MEMBER SCHOOLS, PLEASE MOVE HOME DATES TO PREVENT TOO MANY TEAMS FROM BEING ON THE SAME COURSE ON THE SAME DAY. **ATHLETIC DIRECTORS SHOULD CONTACT EACH OTHER TO MAKE THESE ARRANGEMENTS.**

ALIGNMENT/ TEAM PLAYOFFS: The alignment is a one-division system for team play. The top two (2) teams and ties for second place in each section will enter the team championship on **Friday, October 16, 2009**. If two teams tie for second place but one of the teams has lost both head to head contests, that team **will not** enter the championship round. Three-way ties will be broken in the following manner:

- a. Section records of the tied teams will be compiled.
- b. The team that has the best numerical record among the tied teams will be the qualifier.
- c. If the tie cannot clearly be broken, all tied teams will enter the tournament.

A team champion and runner-up will be declared. **In 2009, the WPIAL WILL participate in the PIAA Team Tournament.**

MATCH FORMAT: The format for girls' golf is a team comprised of five golfers who play for a combined team total medal score for the day. Only the top four scores will count to determine the team winner for the match. This format is in effect for all team matches. It is imperative that all shots are played and no concessions permitted.

All teams **must** field a minimum of four players. Failure to field four players will result in a forfeit victory for the opponent, provided they have at least five players ready to play.

A match once started must be completed that day with two exceptions:

[1] DARKNESS

[2] AUTHORITIES CLOSE THE COURSE DUE TO STORMS OCCURRING DURING PLAY.

In either case, the match must be completed on a subsequent day starting play at the last completed hole for each contestant. On a crowded course, it may be necessary to start play at Tee #10 or even #1, but scores are used for only the un-played holes of the first day.

In case of a tie in the total medal score, each coach will choose two players to represent their squad in a two-hole playoff with the twosome shooting the lowest combined score winning. If there is still a tie after the two-hole playoff, the players will play "sudden death" extra holes until the tie is broken.

RULES/MATCH ADMINISTRATION: All clubs and balls used in WPIAL regular season and tournament play must conform to USGA rules. Use of non-conforming equipment will be penalized as per the 2009 USGA Rule Book.

- All matches are conducted under the rules of the **United States Golf Association**. Local rules of the course may modify USGA rules in certain cases. Local rules should be discussed and clarified prior to the start of the match.

2009-2010 WPIAL GIRLS GOLF SCHEDULE – PAGE 2

- In WPIAL golf matches, the coaches will function as the Rules Committee as specified in the USGA Rules Book. The Rules Committee will decide applications of the rules, resolve disputes, and verify all individual and team scores prior to leaving the course. Once competing coaches agree on the final results and depart the course, the competition is deemed to have closed (Rule 34-1B). The Rules Committee has no power to waive a Rule of Golf. If the coaches cannot resolve a dispute, a third party ruling may be obtained from the resident golf professional or by contacting the WPIAL Office no later than the day following the competition.
- Competing players may report violations to the Rules Committee, but are not permitted to call penalties except for applications of the Rules of Golf. While contestants are responsible for entering the correct score for each hole played, the Rules Committee is responsible for the addition of scores (Rule 33–5).
- Coaches are to teach the Rules of Golf as well as the etiquette of the game as prescribed by the USGA.
- **During all matches, the player should play the ball as it lies. Exceptions will be limited to adverse course conditions, such as prolonged rain or extreme heat that make the fairways unsatisfactory. In such cases, the Committee will enforce the local rule of lift, clean, and place. Players are not permitted to improve their lies by rolling the ball with a club.**
- WPIAL One Ball Rule – Competing players may carry on their person only the ball in play. Additional ball(s) are not permitted. Penalty – First time warning, second time 2-strokes penalty.
