Coaches are advised that the PIAA By-Laws Article XIV, Section 3 requires that the head coach attend a minimum of one PIAA mandatory rules interpretation prior to each season. Mandatory rules meeting dates and times are available on the PIAA website. www.piaa.org

1. **The top four teams and ties for fourth place will enter the team championships set to begin as early as Tuesday, May 18, 2010. All teams (qualifying playoff teams or non-qualifying teams) that complete their section schedule by the prescribed date may play exhibition games providing that they do exceed their limit of competitions. Teams who have definitely qualified for the WPIAL playoffs cannot play a game after MAY 17, 2010.** All playoff entries will be determined by section record only and will be determined by the best section won – loss record. Teams that tie for first place will not have the tie broken and **ALL** of the tied teams will be declared section champions, will receive a section winner's plaque, and will be entered into the WPIAL tournament. If four or more teams tie for first place, only those teams will qualify for the playoffs.

In the event of a multiple tie (two or more teams) for a playoff position, head-to-head will be the first determinant. If head-to-head does not break the tie, the following tie-breaking system will be used. If three or more teams tie for third place and the tie-breaking system identifies one team as the third place team, the remaining teams will be then tied for fourth place and the process begins all over with head-to-head competition being the first determinant for establishing the fourth place team. If a tie cannot be broken all tied teams will enter the playoffs.

TIE-BREAKING SYSTEM

- a) Section won-lost records of all the tied teams will be compiled.
- b) The team(s) with the best numerical head-to-head section record among the tied teams will enter post-season play.
- c) If the tie cannot be clearly broken, all tied teams will enter post-season play.

EXAMPLES:

- a) Team A is clearly first, Team B is second, Team C is third and Teams D, E, and F have identical section won-loss records and are tied for fourth. In this situation Team D is 3-1 against E and F. Team E is 2-2, and Team F is 1-3. Team D is entered as the fourth place team.
- b) Team A is first and Team B is second. Teams C, D, and E are tied for third with identical section records. Team C is 3-1, Team D is 2-2, and Team E is 1-3. Team C is now third and Teams D and E are now tied for fourth. To break this tie we go back to head-to-head. If these two teams split they both go into the playoffs as the fourth place team.
- c) Keeping in mind that **ONLY** the top four teams qualify for the playoffs, unless ties for a playoff spot cannot be broken. If Team A finishes first, Team B second, and then Teams C and D tie for third, Teams A, B, C, and D are the only qualifiers and the tie for third place does not have to be broken.
