

WPIAL AND UPMC RENEW SPONSORSHIP AGREEMENT

The WPIAL Board of Control is pleased to announce a new five (5) year Agreement with the UPMC Center for Sports Medicine as an "Official Sponsor" of the WPIAL. The five (5) year agreement runs through July 31, 2015. UPMC Sports Medicine employs the region's largest staff of certified athletic trainers, specialized physical therapists, orthopaedic surgeons and primary care sports medicine physicians as well as leading specialists in nutrition, mental and performance training, and sports concussion management. "UPMC Sports Medicine is happy to support the WPIAL and the daily sports medicine needs of the student-athlete", stated David Tumbas, Director of Athletic Training & Development at the UPMC Center for Sports Medicine.

The sponsorship allows the WPIAL-UPMC Sports Medicine Committee to continue with the resources and support of the UPMC Center for Sports Medicine. According to WPIAL Executive Director, Tim O'Malley, "The WPIAL is delighted to have an organization the caliber of UPMC continuing as an official league sponsor".
