

Background Check for Registered PIAA Sports Officials

The Allegheny Intermediate Unit is pleased to announce that all sports officials registered after April 7, 2007 can come to our Central Office at 475 East Waterfront Drive in Homestead between the hours of 8:00 am and 4:00 pm, Monday through Friday, and register their original clearances. District 7 (WPIAL) and District 8 (City of Pittsburgh) schools may access a data base which will include the name of the official, their PIAA number, and scanned copies of their child abuse, criminal history and FBI clearances.
