

**Have you had an injury, such as a sprain,  
strain, or fracture in the past 7 days?**

**Are you 11-17 years old and have NOT had a  
previous brain injury or other or psychiatric  
disease?**

**You may qualify to be in a  
UPMC research study!**

**Join our study and help us learn more about  
head injuries and biomarkers in adolescent athletes!  
You will be compensated for your time.**

**Contact our team to learn more:**

**(412) 904-1298**
