The WPIAL Boys'/Girls' section swimming competitions are scheduled to begin on Thursday, January 5, 2023 & Thursday, January 4, 2024, except for **Sections 2&4-2A, which will begin their schedule on Thursday, December 15, 2022 & Thursday, December 14, 2023.** Please check your schedule carefully and contact the League office at (412) 921-7181 regarding any errors. **A copy of this schedule must be given to your coach.**

Coaches are advised that the PIAA By-Laws Article XIV, Section 3 requires that the head coach attend a minimum of one PIAA mandatory rules interpretation prior to each season. Mandatory rules meeting dates and times are available on the PIAA website: www.piaa.org

The WPIAL swimming program will be operated during the 2022-2023 & 2023-2024 school years on a double dual meet basis for all section meets. Meet scoring must be consistent for the entire season. The boys and girls swimming teams will swim at the same time at the same pool. In a few cases where a school does not field a boys' team or a girls' team, the meet will be a single dual meet.

A. THE FOLLOWING INFORMATION IS PERTINENT TO THE CONDUCT OF A SUCCESSFUL SEASON

1. **The National Federation Swimming and Diving Rule Book in conjunction with the PIAA mandates will govern all meets, and National Federation scoring will be in effect. Host schools are to send a letter to visiting schools defining meet start time, warm up time and procedure as well as noting any special procedures or limitations at the host facility before Friday, December 2, 2022 & Friday, December 1, 2023.**
 - a. Host schools must establish and adhere to a consistent scoring system for all meets.
 - b. If the host school facility does not allow diving and an alternate site is to be used, that meet procedure must be consistent for all home meets.
 - c. The host school must note if Non-Team Swimmers or Divers will be performing.
 - d. All information should be made known to the visiting schools no less than two weeks prior to the scheduled competition. Written notification by school administration demonstrates mutual consent.
 - e. **Host schools must be equipped to run Meet Manager in conjunction with Team Manager, otherwise arrangements must be made with Visiting school to ensure proper recording and reporting of results.**
2. Section champions will be determined by the best won/lost record in section play. If there is a tie in section record for first place, head-to-head competition will break the tie. If head-to-head does not break the tie, all tied teams will receive a plaque.
3. It is recommended that afternoon contests do not start before 3:30 PM unless the competing school principals agree. Make sure the officials know the meet start time. All section meets must be completed and dates may not be changed unless it is mutually agreeable by the principals of both schools.
4. It is recommended that each dual meet should have three (3) registered PIAA officials. Athletic Directors should not hire officials who are related to participants or coaches.
5. Senior Recognition Events shall be limited to fifteen (15) minutes.
6. Protests based on play situations or official's decisions involving interpretation or judgment is not permitted.
7. The Host school should print 2 copies of the official results (all names, times/scores, places and team scoring) for both Swimming and Diving). These printed copies shall be signed by the Meet Referee and retained by each school. Host schools should also provide a complete MM meet backup and TM results files to the Visiting school before the Visiting school leaves, but no later than **48** hours after the conclusion of the meet.

2. Teams must complete a minimum of ten (10) and a maximum of eighteen (18) competitions (this includes all last-ditch qualifier meets) prior to the established deadline (#6 below), to be eligible to score team points at the WPIAL or PIAA Championships. As a reminder, last chance meets count against your meet totals.
3. Please be advised that Double Dual Meets - where 3 teams and 3 scores are kept - count as 2 meets for each team. All other meets with 4 or more teams count as 1 meet.
4. Individuals must have been in uniform and available at 75% of the team contests to be eligible for post-season competition. (Please reference PIAA By-Law Article IX, Section 5.)
5. To **AUTOMATICALLY** qualify for the WPIAL Swimming Championship, a swimmer must achieve the automatic qualifying standard as outlined below. **Championship heats will be extended with the next fastest times to the maximum amount allowed by the HOST facility (not to exceed 32 entries in any event) by those achieving the "SECOND" time as outlined in the ADDENDUM of this document.** These times must be met in a WPIAL dual or invitational qualifying meet that is scored, follows consistent entry procedures, uses electronic timing with back-up and is observed and verified by a registered PIAA official. WPIAL DIVING

9. To qualify for the WPIAL Diving Championship, the minimum standards established by the WPIAL enclosed in this schedule must be met in a WPIAL dual or invitational qualifying meet that is scored, follows consistent entry procedures and is observed and verified by a registered PIAA official.
- a) Divers can qualify with the standard 6-dive list that is conducted in a Dual Meet or with an 11-dive list that they might participate in an Invitational Meet. All requirements as to submitting proof of the Dive Sheet for a 6-dive sheet are also required of a qualifying 11-dive list.
 - b) The WPIAL qualifying diving sheet, documenting the score and the degree of difficulty, must be filled out in its entirety, signed by the Meet Referee and submitted with the entry form to the WPIAL. The qualifying sheet must have the minimum degree of difficulty (not including the voluntary dive) and a minimum total score at the bottom (that includes the voluntary dive). If you are turning in a computer-generated qualifying sheet, it is not necessary to have the diver and coach's signature at the bottom. However, it does need to have the PIAA official's signature somewhere on the sheet.
 - c) It is required that every diver planning to participate in the WPIAL Diving championships prove that they can successfully complete dives from every category – front, back, reverse, inward and twist. If the WPIAL qualifying sheet (with the required minimum degree of difficulty and score) submitted does not represent all five categories of dives, then you must send in another diving sheet, signed by a registered PIAA Official, that lists the missing diving category. If a second diving sheet is required to prove that the diver has successfully completed all five categories of dives, then that second sheet does NOT need to have a qualifying degree of difficulty or score. If two diving sheets are required to prove that all five categories have been successfully completed, only one sheet needs to be an actual qualifying sheet. The definition of "successfully completed" means the diver received a score from ½ to 10. **Coaches are responsible for only entering divers capable of these requirements.**
10. **Non-team schools** – Divers from schools that do not sponsor a team must dive for a score during a regularly scheduled interscholastic meet being conducted by other member schools.
- a) Please reference A. 1, c. d. on page 1
 - b) Limited to one competitor per event including diving
 - c) The Meet Referee will determine when the Non-Team Athlete(s) competes.
11. Beginning with the first Contest Day of the Regular Season for Swimming and Diving and ending with the last Contest Day of the Regular Season for Swimming and Diving, all Diving Competition shall consist of one (1) Voluntary Dive, which shall be done first, and five (5) Optional Dives, coming from at least 4 of the 5 groups and which may include any of the dives other than the voluntary dive.
- a) The voluntary dive groups and the calendar weeks for the 2022-2023 & 2023-2024 Swimming and Diving Regular Seasons shall be as follows:
 - Forward group for weeks beginning November 27, January 1 & February 5, 2022/2023
 - November 26, December 31 & February 4, 2023/2024
 - Back group for weeks beginning December 4, January 8 & February 12, 2022/2023
 - December 3, January 7 and February 11, 2023/2024
 - Inward group for weeks beginning December 11 and January 15 & February 19, 2022/2023
 - December 10 and January 14 & February 18, 2023/2024
 - Twisting group for weeks beginning December 18 and January 22, 2022/2023
 - December 17 and January 21, 2023/2024
 - Reverse group for weeks beginning December 25 & January 29, 2022/2023
 - December 24 and January 28, 2023/2024
 - b) In the case of a Regular Season Contest that is postponed and subsequently rescheduled, the voluntary dive group shall be the voluntary dive group that is required for the Calendar Week in which the postponed Regular Season Contest is rescheduled. The 6-dive form listing current DD's through the 2022-2023 & 2023-2024 rule book will be posted on the WPIAL web site at a later date. **This form may be duplicated.**

Rule 3-3-1:

A competitor shall not be permitted to participate wearing a suit that is not of decent appearance. Boys shall wear suits which cover the buttocks. Girls shall wear suits which cover the buttocks and breasts.

Rule 3-3-3 (b) 4: made with no zippers or other fastening system other than a waist tie for a brief or jammer and elastic material within the casing/ribbing in the terminal ends (straps, leg openings and waist openings). TEAM MANAGER DATABASE/MEET MANAGER BACK UP PROCESS

1. If you already have your **TM** database built from last season, make sure everything matches (QTs, etc.) with your information - the "use since" date is December 2, 2022. Please be sure it is entered correctly and checked in your team database. If you are starting with a new **TM** database, follow steps 2-9.
2. Download the **TM** standards file from the WPIAL website - www.wpial.org. This file will have the correct order of events, entry times, school year designations and "use time since" date and is to be downloaded into your **TM** database. Schools that have split squads - one team AA and one AAA - create a database file for each team.
3. Add your team – TEAMS, ADD, **TEAM ABBR (DESIGNATED TEAM ABBREVIATION CODE – attached to this document)**, FULL TEAM NAME ex. Moon Area High School, TEAM REGISTRATION – USS, TEAM TYPE – HS, STATE – PA, LSC – AM so that results files can be merged easily and efficiently. The designated team codes are attached. If your school is not listed, please e-mail the WPIAL Swim Committee Chairperson, Dave Babik at babikd@penntrafford.org to receive your code.
4. Enter Head Coach information – TEAMS, COACHES, ADD – complete all information through the e-mail.
5. Build your athlete roster – ATHLETES, ADD, LAST NAME, FIRST NAME, ID # - this is where you enter athlete USA Swim ID, GENDER, TEAM 1 (your DESIGNATED TEAM ABBREVIATION CODE – attached to this document), SCHOOL YEAR (9, 10, 11, 12) then click OK.
6. Submit **your TM roster** and your season schedule to your classification contact **no later than Monday, December 5, 2022 / Monday, December 4, 2023**. FILE, EXPORT, ATHLETES/TEAMS. This is the only information that will be used to ID your athletes and teams all season. Meet results cannot be accepted until roster is submitted. **Meet results not received by the scheduled reporting deadline will not be accepted.**
7. VERY IMPORTANT - Use **TM** for your meet entries throughout the season – both home and away. If you do not use the same information for each meet, **your swimmers and times may not be properly imported and accepted.**
8. Download the **MM** template file from the WPIAL website – www.wpial.org. This file will have the correct meet set up, order of events, entry times, scoring preferences, lane set up (adjust 6 or 8). Download into you **MM** database.
9. Use a new **MM** file for each meet and name the meet accordingly – MEET DATE, YOUR CODE@OPPONENT CODE. ex. – 121719 BPHS@NAHS. This can be done by making a template and **renaming it for each meet**. Do not purge a meet to use that file for another meet. SAVE ALL YOUR MEETS.
9. REVIEW AND VERIFY THAT ALL INFORMATION IS CORRECT as these are the official meet results. Send the **MM** meet backup to your classification contact and copy the visiting team at the end of your meet (should be immediately after the meet but no later than the established deadline.)
10. If you have any questions about how to meet the entry requirements, please email the Swim Committee Chairperson. Training will be available before the season to assist schools that are unfamiliar with the **TM** and **MM** programs.

2022/2023 – 2023/2024 WPIAL ADDENDUM on CUT TIMES

WPIAL Swimming Championship Qualifying Standards - “Automatic” and “Second” Cut Times

- Swimmers and Relays that achieve the “Automatic” time (as outlined on page 2 and below) will be able to enter that event in the WPIAL Championship Meet and will be guaranteed a spot in the event (if they choose to enter).
- Individual swimmers and relays that make the “Second” cut time are still able and encouraged to enter that event as outlined in the championship memo (see p. 4 item #12), but swimmers are not guaranteed a spot in the event.
- Heats for each event will be filled with the “Automatic” times first and then all remaining positions will be filled with the next fastest “Second” cut time entries submitted. Heats will be filled to the maximum amount allowed by the HOST facility (not to exceed 32 entries in any event).
- All qualifying information will be communicated in January each year via the WPIAL Swimming & Diving Championship Memo (referenced in page 2, Item #5).
